Here is the attachment with Fred's comments. I think they make sense.

Hi Ruth,

Thanks for the opportunity to review the reg text and preamble language. **Ex. 5 Deliberative Process (DP)**

Fred-

In the 404(g) rule options selection, Dave Ross and the Regional reps agreed with the approach of treating tribes with TAS for water quality standards as "affected states" for purposes of receiving notices of and commenting on state-issued permits that may affect tribal waters. We're now in the process of drafting reg and preamble language on this and other issues.
